

THE RAIL SAVER

- Repairs rails fast, from the inside out.
- Repairs rails up to 27" deep.
- Don't spend time drilling and cutting access holes only to weld them back together.
- Reduce cycle times.
- Converts your 4 ton ram* into a powerful box rail repair tool.
- Repair more cars.
- Improved repair technique.

**SAVE A RAIL,
 SAVE A TOTAL LOSS,
 INCREASE YOUR
 BOTTOM LINE.**

*4 ton pump and ram not included. Patent pending.
